By forwarded to the Member & received instructions. According to the estimate furnished by the Superintendent, C.D. Institute, the quantity of silver required for marking the dies etc is 18,680 tolas & the cost of silver, wood & copper & brasswork expenses to Rs 9036. including 1170 tolas paid to the artificers in the temple, 17310 tolas of silver have to be purchased & the cost of this at the current bazar market rates will be about Rs 11,000 so that the total cost (including the cost of copper, brass, wood & marking charges) will be about Rs 20,000. To this has to be added the cost of gold required, about which there is no estimate

(b) The cash balance at the credit of the temple on 1.1.41 was Rs 13,815-10-2 and a sum of Rs 6000/- is expected to be realised by the close of this year & the expenditure to be incurred will be Rs 7500, leaving the cash balance at Rs 12,315-10-2 at the end of the year. The temple has investments to the extent of Rs 52,112-8-0 out of which a sum of Rs 30,000 has to be found (advanced) towards the cost of Kalasa under, which would leave a balance of Rs 22,112-8-0 for utilization towards

Submitted to His Highness.

I submit herewith a Final Note by the Minister for Finance and Revenue on the subject of an estimate for Rs.20,000/- for the preparation of jewels and other articles for the Sri Kalaseshwaraswamy temple at Kalasa, Mudigere Taluk, for His Highness's gracious approval.

N. Madhava Rau

DEWAN.

Bangalore,
10th December 1941.

17

FINAL NOTE BY THE MINISTER FOR FINANCE AND REVENUE.

Subject:— Proposal to sanction an estimate for Rs20,000/- for the preparation of jewels and other articles for the Sri Kalaseswaraswamy temple at Kalasa, Mudigere Taluk.

These papers relate to the question of the preparation of jewels and other articles for the Sri Kalaseswaraswamy Temple at Kalasa in Mudigere Taluk. During the inspection of this temple in April 1937 as Muzrai Commissioner, I observed that this ancient temple was in need of a well designed door-frame in silver for the garbhagudies and also of other articles of jewellery etc., for the two deities. In accordance with my instructions, sketches and estimates were prepared and during my subsequent visit to the temple in March 1939, I generally approved of the sketches and suggested that the work might be executed spreading the same over a period of three years. As it was desirable that the workmanship should be of a high order, the Chamarajendra Technical Institute at Mysore was consulted whether it would undertake the works and what the works were likely to cost. The Superintendent of the said Institute has now sent an estimate for 25 items of works according to which 18,480 tolas of silver will be required and the total cost of the works, excluding the cost of silver and gold, amounts to Rs 9,036/-. The temple has 1,170 tolas of silver and 20¾ tolas of gold and the balance of metal required has to be purchased. The Dharmadarsis of the temple are agreeable to have the works executed and the Muzrai Commissioner has also requested sanction to the estimates. The cost viz., Rs 20,000/- is proposed to be met as follows:-

Rs 7,300/- from the funds of the Sri Kalaseswaraswamy Temple immediately after sanction is accorded;

16

(F.N –contn.) - 2 -

Rs 5,700/- by the sale of 3½ % Mysore State Loan Bonds held by the Temple immediately after the said sanction;

Rs 8,000/- by the end of June 1942 from the income of the Temple for the year 1941-42.

59, 64, 65 The Dewan and the other Ministers agree to the Muzrai
6 of 265 Commissioner's recommendation which may be graciously sanctioned.

Minister,
Finance and Revenue.

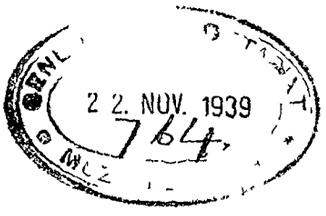
OFFICE OF THE MUZRAI COMMISSIONER
IN MYSORE

Bangalore, ...20th..November ... *193* 9.

FROM

Rukn-ul-Mulk
S. Abdul Wajid, Esq., B.A.,
The Muzrai Commissioner in Mysore.



To

J. Appaji Gowda, Esq., B.A.(Hon.),
General Secretary to the Government
of Mysore, Bangalore.

SIR,

Re. Preparation of jewels and other articles for the Sri Kalaseswaraswamy Temple at Kalasa, Mudigere Taluk.

In forwarding herewith a copy of Kadur District Deputy Commissioner's letter No.A5-628/38-39 dated 6th April 1939 re. the above I have the honor to state that it is proposed to have a well-designed door frame of silver for the garbhagudi of Sri Kalaseswar swami and Ammanavaru, and also some articles of jewellery.

2. The Deputy Commissioner, in sending the proposals, submitted the estimates prepared by Messrs. S. L. V. & Co., for Rs 17,868-4-0 together with sketches, and solicited sanction there

3. As it seemed necessary to call for quotations from some the equally reliable firms, with a view to find out if any of them could do the work for less, quotations were called for from

1) Messrs. C. Krishniah Chetty & Sons, Bangalore City.
2) " Indian Jewellery Mart, "
3) " T. Vasudeva Setty & Sons, "
4) " Pathi Adinarnaiya & Bros., "
5) " Devatha Venkataramaiya & Sons, "
6) " P. Krishna Rao, S. L. Mannaji Rao & Co., "

4. Of these, only (1), (2), and (6) sent in their quotations Also, one Mr. N. Y. Veerabhadracharya, B.A. Member and Municipal Councillor, Nagamangala, representing the Brass Workers' Associati Nagamangala, submitted his quotations for brass and other works.

5. As it was decided that, in view of the fluctuations in th prices, the cost of silver and gold required for the works should be fixed at the prevailing market rates on the dates on which the works are entrusted, each year, the work being proposed to be spread over a period of three years, only the quotations for labour were taken into consideration for the acceptance of rates tendered by the several firms.

6. The quotations offered by Messrs. P. Krishna Rao S. L. Mannaji Rao were the lowest and most favourable, and the same have been accepted for Rs 3,736-8-7 only in respect of silver and gold works.

7. The quotations offered by Mr. N. Y. Veerabhadracharya for the brass-work being the lowest, have been accepted for Rs 2,126 (including the materials

8. The quantities of silver and gold required for the works are estimated at 11403 and 123 tolas, respectively, subject to slight variations during the course of the execution of the work. The marginally noted quantitiles of un-

48¾ seers or 1170 tolas of silver.
20-11-0 " 20¾ "(roughly) of gold.

serviceable silver and gold are reported to be available at the temple, which may also be utilised for the work. Giving deduction to these quantities from the above, the exact quantities of silver and gold required to be purchased are

		Rs	a	p
1)	Cost of 10233 tolas of silver @ Rs 0-8-6 per tola	5436	0	0
2)	" 102 " " gold @ "38-0-0 "	3876	0	0
3)	Making charges of silver and gold articles, as per accepted quotations	3736	8	0
4)	" including cost of materials for brass vahanams, door frames (brass-plating) etc., as per accepted quotations.	2126	0	0
5)	Woodwork connected with silver-plating (door frames &c.	266	0	0
6)	" " brass-plating (doors etc.)	313	0	0
	Total	15753	8	0

(11403 minus 1170) 10233 tolas of silver valued at Rs 5,436 and (123-20¾) 102 tolas, roughly, of gold valued at Rs 3,876 according to the current market value. The total cost of works amounts approximately to Rs 15,753-8-0, as detailed in the margin.

9. The rates of gold and silver will be fixed at the prevailing market value on the date on which the works are entrusted to the firm, each year, as proposed in para 5 supra, the execution of the work being ordered to be done under Revenue Agency and spread over a period of 3 years commencing from 1939-40.

10. The entire cost is proposed to be met out of the closing balance at the credit of the temple which stands at Rs 16,082-8-0 in cash and Rs 52,112-8-0 in investments, as per margin, as at the end of October 1939. I request that

Mysore Government 6¼%	State Loan of	1940	Rs 22,312-8-0
Govt. of India 3½%		1865	" 8,300-0-0
Do. 3½%		1879	" 5,700-0-0
Mysore Government 3%		1956-6[illegible]	" 200-0-0
Do. 5%		1955	" 12,600-0-0
Mysore Debenture 3½%		1946-51	"" 3,000-0-0
		Total	Rs 52.112-8-0

sanction of Government may kindly be obtained early to the above proposals.

I have the honor to be,
Sir,
Your most obedient servant,

Muzrai Commissioner.

Estimates for preparation of jewels and other articles
for the Sri Kalaseswaraswami temple at Kalasa, Mudigere Taluk.

I have the honour to state that at the time of inspection of the temple in April 1937 by the then Muzrai Commissioner, it was observed that necessary action should be taken to get a well designed door-~~frame~~ frame of silver for the Garbhagudi of Sri Kalaseswaraswami and other articles of jewellary prepared for both the Swami and Ammanavaru Accordingly, Messrs.S.L.V & Co., Bangalore City were addressed to send one of their workmen to go to Kalasa, get the estimates and sketches prepared and forward them to this office for tokin further action.Two workmen from the above company had been to Kalasa during November 193 and took measurements after examination of the articles to be prepared

2. essrs.S.L.V. Co.,have forwarded in all 14 estimates with sketches amounting to Rs.17868-4-0 and they were sent to the Amildar, Mudigere Taluk for resubmission with the opinion of the Dharmadarsis of the temple.

3. The Second Member of Council who visited Kalasa on the 13th arch 1939 perused the sketches and estimates and opined that the work may be executed spreading the same over a period of three years.

4. The Amildar reports that the Dharmadarsis of the temple met on the 13th March,1939 and resolved that the execution of the estimates may be sanctioned according to the sketches; that twelve items of work

of work estimated at Rs.5282-4-0 as per margin may be taken up during the year - 1938-39 and that the remaining items of work estimated at Rs. 12,586-0-0 may be not executed during the years 1939-40 and 1940-41 as opined by the Member of Council. The amount at the - credit of the Institution is reported to be Rs.22,583-10-8 on Ist March 1939.

1.		521-4-0
2.		965 0-0
3.		531-2-0
5.		996-4-0
7.		151-4-0
8.		1140-0-0
9.		20-0-0
"		24-6-0
"		100 "-0
		1000-0-0
12.		5282-4-0

In the above circumstances I request that sanction of Government may kindly be obtained for the estimates amounting to Rs.17,869-4-0 with the direction that the work should be executed spreading over for 3 years commencing from 1938-39, the cost - being met from closing balance. All useless silver and gold with the temple will also be utilised for these works, the necessary credit being given to the Estimate.

As it seems to be preferable to give the work to a reputed firm who can be trusted to do the work satisfactorily especially as jewellery is ~~in~~ involved it may perhaps be desirable to entrust the work to this Firm who are also devotees and could be expected to bring also their personal devotion to the presiding deities in the execution of the works. If this view is accepted, sanction to give the work to this Firm without calling for quotations or tenders may kindly be accorded.

I have the honour to be
Sir,
Your most obedient servant,

For Deputy Commissioner
Kadur District.

GOVERNMENT OF HIS HIGHNESS THE MAHARAJA OF MYSORE

General and Revenue Secretariat

Dated, Bangalore, 13th January 1940.

No. 464. Secret.
Survey 162-39-2

From

The General Secretary to the Government of His Highness the Maharaja of Mysore.

To

The Huzur Secretary to His Highness the Maharaja of Mysore, MYSORE.

Sir,

I am directed to state that it is proposed to have a well designed door frame of silver for the garbhagudi of Sri Kalaseshwaraswami and Ammanavaru and also some articles of jeweller to the temple at Kalasa as per details furnished in the marginally noted estimates. The quantities of silver and gold required for the works are estimated at 11403 and 123 tolas respectively subject to slight variations during the course of the execution of the work. About 1170 tolas of silver and 20¾ tolas of gold of unserviceable variety are reported to be available at the temple, which could also be utilised for the work. Excluding the quantities of silver and gold available, 10233 tolas of silver and 102 tolas of gold are said to be required for the above works and it is proposed to spread the work over a period of 3 years, meeting the cost from the temple funds.

I. 16 items of Silver, Gold and Brass works.
II. Detailed estimate for Wooden and Brass works.
III. Nine sketches.

I am to enquire whether, as in the case of some works executed for the Sri Srikanteswaraswami temple at Nanjangud, it will be possible for the Palace authorities to kindly arrange to get the works executed under their supervision.

I have the honor to be,
Sir,
Your most obedient servant,

General Secretary to Government.

Sir,

With reference to your letter No.1464/162-39-2 dated the 13th January 1940, I have the honour to state that it is not possible for the Palace Treasury to undertake the preparation of the silver door frame and articles of jewellery for the temple at Kalasa, as there are several works already in hand. Recently Sri Chamarajendra Technical Institute prepared a silver Palanquin for Sri Kudli Mutt and the work was very satisfactory. The above work may perhaps be entrusted to the Institute. The references received with the above are herewith returned.

I have the honour to be,
Sir,
Your most obedient servant,

For Huzur Secretary.

Enclosures One.

SIR,

Re: Gold and Silver work to be done for the Garbhagudi of Sri Kalaseshwara Swamy and Ammanavaru at Kalasa.

With reference to your letter No.1738/Luz.162-39-4 dated the 13th February 1940 enclosing sketches of the silver and gold works proposed to be executed for the above temple, I have the honour to state that it is quite possible for the Chamarajendra Technical Institute to execute the works satisfactorily.

If it is finally decided to place the order with the Institute, I shall instruct the Superintendent of the Chamarajendra Technical Institute to pay a visit to the temple and make out an estimate of cost.

I attach hereto a copy of letter No.2053 dated the 27th March 1940 received from the Superintendent of the Institute in this connection for your kind information and communication of orders of Government.

I have the honour to be,
Sir,
Your most obedient servant,

From

S. RAMASWAMY, Esq,
SUPERINTENDENT, CHAMARAJENDRA TECHNICAL INSTITUTE,
MYSORE

To

The Director of Industries & Commerce in Mysore,

Bangalore.

Sir,

With reference to your letter No.D3-58/39-40 dated 16-2-1940 forwarding letter No.1738/Muz.162-39-4 dated 13-2-1940 from the General Secretary to Government regarding some silver, gold and brass works to be done for the Kalasesweraswamy Temple and enquiring if the works could be executed in our Institute, I have the honour to state that we can certainly get the works done to the entire satisfaction of the temple authorities.

In order to work out the correct estimates it is necessary that we should visit the temple and see the actual requirements of the place and so, if permitted, I shall visit the place with the Draughts man and the Metal Wor. Instructor. The silver and the gold required for the work will have to be supplied from the Muzarai Department and we will undertake the responsibility for accounting to the total quantity of the materials received and we will actually charge them the cost of labour and the overhead charges. As the quality of work turned out at the Institute should be high class, I am afraid, we will not be able to do this work at the rate of 5 annas per tola as calculated in the estimates sent. The cost of wood work could be furnished only after we study the place and make out the correct drawings.

P.T.O.

I have retained the designs and the estimates With awiting final decision in the matter.

I have the honour to be,
Sir,
Your most obedient servant,

S Ramaswamy

No. D3-58/39-40

Dated 6th October 1940

Enclosures one

SIR,

Subject:- Gold and silver work for the Garbhagudi of Sri Kalaseswara Swamy Temple at Kalasa.

In continuation of this office letter of even No. dated the 12th September 1940 on the above subject, I have the honour to submit herewith an estimate for the Gold and Silver work to be done in the Temple at Kalasa along with letter No. 552 dated the 23rd September 1940 received from the Superintendent of the Chamarajendra Technical Institute, Mysore.

It is difficult to furnish correct estimates for such works without detailed specifications regarding the weight and the thickness of the metals to be used. But every effort will be made to reduce the cost and only actual labour with the usual overhead charges will be claimed if all the required materials are supplied.

In this connection I have to state that the Institute manufactured and supplied during 1938-39 two Bronze Statues of Nataraja (5'-8" height) and Sri Govindaraj (4'-2" by 5'-8" sleeping pose) weighing 1440 lbs. and 1200 lbs. respectively to the Annamalai University at a total cost of Rs 5000/- and the workmanship was very much appreciated by the University Authorities.

Under the above circumstances I request that orders may kindly

P. T. O.

be passed entrusting the Institute to execute the work under supervision of the Department. The Designs and sketches are also enclosed for kind perusal and return with the order.

I have the honour to be,
Sir,
Your most obedient servant,

Director.

Secretary to the Government of His Highness the Maharaja of Mysore,
General *Department.*

SIR,

Preparation of Jewels and other Articles to the Sri Kalaseswaraswamy Temple at Kalasa, Mudigere Taluk.

With reference to your letter No.1036/Muz.162-39-7 dated 15th November 1940 regarding the above, I have the nonour to forward herewith a copy of letter No.A5.C.628/38-39 dated 20th January 1941, together with the connected records received from the Deputy Commissioner, Kadur District, in the matter and to state as follows:-

2) The Dharmadarsees of the Temple are reported to be agreeable to the sketches and estimates prepared by the Superintendent, Chamaraja Technical Institute, Mysore.

3) The Deputy Commissioner has recommended that, as opined by the local Officers, the estimates for the marginally noted seven items of works only, costing about Rs.6,048/- may be sanctioned for the present, considering the financial position of the Institution.

a) Mantapa for Mula Vigraha in Teak Silver plated.
b) Umbrella.
c) Kavacha to Sarvanga Sundrammanavaru.
d) Gold plating the Kalasa.
e) Palanquin in Silver.
f) Vyali, etc.
g) Lalakki.

4) In this connection, I may state that proposals have been submitted separately to Government for contributing a sum of Rs.30,000/- from the Cash balance available at the credit of the Temple and by the sale of certain investments held by the Temple, for the construction of a Bridge

of a Bridge across the river Bhadra near Kalasa (vide this Office Non-official No.C.1265/40-41 dated 23rd January 1941).

5) If sanction is now accorded to the estimate for about Rs.6,048/-, also for the preparation of the above silver and gold articles, further investments held by the Temple will have to be sold to meet this cost, thus reducing the income of the Temple by Rs.1488-4-0 (loss of interest) and consequent lowering of the reserve from Rs.2,309-7-11 to Rs.821-3-11.

6) Further, the Institution has also to meet about Rs.6000/- for the construction of two cars to the Temple as reported in the Deputy Commissioner's letter.

7) In the above circumstances, I recommend that the work of the preparation of the proposed Silver articles, etc., may be put off till the question of utilising the sum of Rs.30000/ for the Bridge is finally decided.

I have the honour to be,

Sir,

Your most obedient servant,

Muzrai Commissioner.

RRN.

Letter No.A5.C.628/38-39 dated 20-1-1941 from the Deputy Commissioner, ıdur District, to the Muzrai Commissioner in Mysore, Bangalore.

Subject:- Preparation of jewels and other articles to the Sri Kalaseswaraswami Temple at Kalasa, Mudigere Taluk.

--

With reference to your letter No.C.1563/38-39 dated 17-12-1940 on th above subject, I have the honour to state as follows:-

2. The Dharmadarsis who were consulted in the matter are agreeable to the sketches and estimates prepared by the Superintendent, Chamaraja Technical Institute, Mysore. They have resolved on 31st December 1940 that the entire estimate may be sanctioned and items No.1,2,4,6,8,11,12,14,18,20,21 and 24 and 25 of the said estimate may be taken up for execution this year only. A copy of the resolution is enclosed in the records for kind perusal. The Peshkar of the temple has submitted a note (which is enclosed in the records) explaining that in view of the proposals to provide the temple with two new cars which ma cost about Rs.5000/- Rs.6000/-, only the marginally noted seven items of works

1. Mantapa for Mulavigraha in teak silver plated.
2. Umbrella.
4. Kavacha to Sarvangasundarammanavaru.
8. Gold plating the Kalasa.
). palanquin in Silver.

costing about Rs.6048/- of the 12 proposed by Dharmadarsis may be tak up for

21. Vayali, etc.
22. Lalakki.

up for execution during the current year, the remaining items of work being got executed in the next three years. The Sub-Division Officer and the Amildar support the proposal of the Peshkar.

3. In the circumstances stated, and also in consideration, the financial position of the institution, I agree with the local Officer and request that the estimate for the items of work proposed by the Peshkar may kindly be sanctioned for the present.

4. The connected records together with estimate and sketches accompany.

"Copy."

M. N. Ramachandra

For Muzrai Commissioner.

BRN.

...AS-628/38-39 dated 17 - 11-1941 from the Deputy Commissioner, Kadur, to the Muzrai Commissioner in Mysore.

Subject: Preparation of jewels and other articles for the Sri Kalaseswara Swamy temple at Kalasa.

With reference to your letter No.C.1563/38-39 dated 29-4-41 requesting me to furnish definite proposals for the works to be undertaken in connection with the above, I have the honor to enclose the entire file of records received from the Chikmagalur Sub Division Officer in No.32.C.320/38-39 dated 27-10-1941 and to state as follows:-

The Dharmadarsis of the Temple have agreed to the proposal of Government to spend a sum of Rs 20,000 from Temple Funds for the preparation of the jewels in question at the Chamarajendra Technical Institute.

An extract of the resolution passed by them on 10-8-1941 is enclosed in the records. I, therefore, request that sanction for the estimate received from the Superintendent, Chamarajendra Technical Institute, Mysore, may kindly be obtained for getting the jewels made and for meeting the cost as follows:-

Rs 6,300 From the temple funds, immediately after the sanction is obtained as there is only a sum of Rs 10,302-0-5 at the credi of the Institution at present.

" 5,700 By the sale of the 3½% Mysore State Loan Bonds immediately after the sanction is obtained.

" 8,000 by the end of June 1942 from the income of the Temple for th current year.

The Amildar, Mudigere Taluk, has also been instructed to expedite the recovery of the arrears so that the amount of Rs 8,000 noted above may be made available for adjustment in time.

In the above circumstances, I request that early sanction may kindly be obtained for getting the jewels prepared at the Chamarajendra Technical Institute. The entire file of records accompanies.

20 FEB. 1941

2. Letter No.9077 dated 16-1-41 from the Chief Engineer of Mysore forwarding, for sanction, an estimate amounting to Rs 1,00,000/- for the construction of the above bridge and intimating that the Dharmadarsis of Sri Kalaseswaraswamy temple have agreed to pay a sum of Rs 30,000/- from the temple funds towards the cost of the bridge on condition that they are allowed to recoup the amount from the realisations of the toll if a toll- gate is established at the bridge, and that the District Board, Kadur District, have agreed to pay one-third of the total cost of the bridge from the Railway cess funds of the District, and propose that the balance amount of Rs 36,667 (or Rs 37,000/- in round figures) be met by Government.

Order No. P.W. 2863-69|S Dated 14|2|41

Government are pleased to sanction the estimate amounting to Rs 1,00,000(Rs. one lakh) for the construction of the above bridge under "24.A.Communications - 2.Bridges original - Major", with the direction that the work be financed on the basis of the following arrangement:-

(1) The District Board, Kadur District to pay one-third of the total cost of the bridge, viz. Rs 33,333/- from the Railway Cess Funds of the District.

(2) A sum of Rs 30,000/- to be contributed from the Kalasa temple funds immediately on condition of recoupment of the amount from toll realisations, if one is established.

(3) A sum of Rs 37,000/- to be provided in the P.W.D. budget of 1941-42 as Government share of cost of the bridge.

P.T.O.

Government further direct that the work may be started immediately from the contribution of the temple.

The entertainment of an establishment at a cost of Rs 10,000/- as shown in the annexure is also sanctioned.

ORDER NO. 1083-6/Samp 162-39-9/En Record

Bangalore, Dated 3rd January 1942

The Deputy Commissioner, Kadur District has submitted proposals for getting a well-designed door-arch of silver prepared for the garbhagudi of Sri Kalaheswaraswamy and Ammanavaru Temple at Kalasa and also some articles of jewellery for the two deities. The Chamarajendra Technical Institute Mysore has prepared an estimate for these works (25 in number) for which 18480 tolas of silver will be required and the total cost of the works excluding the cost of silver work amounts to Rs.9,036/- . The Temple is reported to have 1170 tolas of silver and 20¾ tolas of gold and balance of

total required has to be purchased. The Dharmadarsis of the temple are agreeable to have the work executed and the Muzrai Commissioner has requested sanction to the estimates, the cost viz., Rs.20,000/- (Twenty Thousand) being met as follows:-

Rs.6,300/- from the funds of the Sri Kalaseswaraswamy temple immediately after sanction is accorded.

Rs.5,700/- by the sale of the 3½ per cent Mysore State Loan Bonds held by the temple.

Rs.8,000/- by the end of June 1942 from the income of the temple for the year 1941-42.

In the circumstances, Government are pleased to sanction the estimates (appended) for Rs.20,000/- (Twenty Thousand) the execution of the work being entrusted to the Chamarajendra Technical Institute, Mysore and the cost being met as proposed. The Muzrai Commissioner is requested to take necessary action in the matter in consultation with the Director of Industries and Commerce in Mysore.

A quarterly report of progress made in the execution of the works may be submitted to Government till the estimates are fully executed.

Order,

The D.C. Kanniyan T.K. Isan Commissioner has forwarded for orders a petition praying that it is proposed to have a well-designed door-frame of silver for the garbhagriha of Sri Kalesaswara Swamy and Annamalayan Temple at Kalasa and also some articles of jewellery for them. The Chandrajeendra technical workman has prepared an estimate for those works (25 in number) for which 1862 Tolas of silver will be required and the total cost of the works excluding the cost of silver and gold amounts to Rs 9036/-. The temple is stated to have 1170 tolas of silver and 20 3/4 tolas of gold. and the balance of metal required will have to be purchased. The Dharmadarsi of the temple are agreeable to have the works executed and the Mysore Commissioner has requested sanction to the estimate.
